President's Notes – August 2026

Here we are with Thanksgiving right around the corner and the National Dog Show and the big Orlando shows are upon us. Seems like this year just flew by!

We just finished our annual election cycle. Our new Board for 2027 is:
OFFICERS
Susan Thibodeaux • President
Denise Monette • Vice President
LeaAnn Boles • Treasurer
Rebekah Rivera • Secretary
BOARD OF DIRECTORS
Pam Cox • Tabs Dvorak • Christine Bowker • Laura Johnson • Judy Threlfall
DELEGATE
Laura Johnson

Welcome Rebekah Rivera to the Board!

I'd like to take a moment to thank Tabs Dvorak for stepping in as Secretary when the position unexpectedly experienced a vacancy. She has worked hard for our club, and we appreciate her so very much. She is one busy woman and yet is always willing to support our club and our breed. If you see her, please thank her for all her efforts and contributions this past year! Tabs – thank you!

I'd also like to thank Theresa Watson for her time and work as a Board member. She is a real asset to our club and to our breed and I know she would have continued on the Board if life hadn't thrown some challenges her way that are a higher priority. Theresa – we thank you!

You might recall we presented the 2026 Sportsmanship Award to Lila Fast this past August. We are asking you again for nominations for the ATFTC's 2027 AKC Sportsmanship Award. The AKC Outstanding Sportsmanship Award Program was established in 2006 to provide each AKC Member Club with an embossed AKC medallion to award on a yearly basis as an ongoing effort to celebrate its volunteer club members.

This award honors those individuals who deserve special recognition that have made a difference in the Sport of Purebred Dogs, embody the AKC Code of Sportsmanship, and have been an active and valued member of an AKC Member Club. Medallions are awarded solely at the club's discretion. Please send me your nominations so we can present the selected individual at our Awards Banquet in Perry in April. Nominations should be sent by December 31st.

NYC Meet the Breeds – If you can help with this January 23-24, 2027, please contact Laura Johnson. She has been amazing with her outreach to the public at this event – especially children – in their introductions to Toy Fox Terriers. More than 30,000 attend this every year so it is a huge effort. Please consider spending a couple days in New York to promote our breed.

ATFTC shows coming up are:

- December 2026 – Orlando Regional Specialty
- April 2027 – ATFTC National Specialty and Regional Specialty Perry, GA
- CFTFTC Designated Specialties Brooksville, FL 1/18/27 & 1/24/27

Chris Bowker is preparing the next edition of Fox Tales. If you have some nice brags – you should put an ad in! And don't forget if you got a versatility award to send a photo of your pup to Chris – those brags are welcomed and free! Send ads and newsletter materials to bowmanor@bellsouth.net And a reminder, redacted copies of the newsletter are at the club website so not just members will see your ads!

The Board will be reviewing the committees in January for the upcoming year. If you want to help in any capacity on any committee – please let us know! If you see a need for a new committee let us know. This is your club and we are all here for our Toy Fox Terriers – just know if you have a great idea we'll probably put you in charge of it.

We appreciate all you do to promote and support our wonderful breed. We know you are members because you are passionate about and in love with Toy Fox Terriers. Please consider being involved in one or more of our events or committees. As they say, it takes a village for us to do all we do and you are our village. Again, thank you to everyone for all you do for our breed. You rock!

See you at the shows!

Susan Thibodeaux
President

Message from the Editor

Dog shows and trials have been attended and enjoyed for 2026 for me, and with the publication of this newsletter, a time to engage in other pastimes, work with the dogs, and enjoy the holidays for a couple of months before the next newsletter.

Thank you to this issues's advertisers—Susan, Mandy, Laura and Allessandra. Your support is really appreciated!

Coming up soon are the 2 toy fox terrier specialties. I am ever hopeful that more of the winners will think about putting their news in the newsletter. The ad rates are always at the bottom of page 2.

Looking forward to hearing from all the specialty winners!

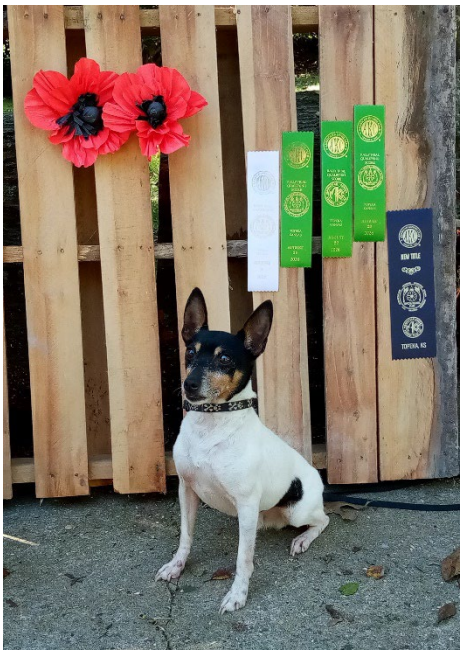
TOPEKA!

We ventured west to Topeka in 2017, and came home with Clark, highest scoring TFT in trial (and his first leg on his RAE title), and Tyler scoring 2 legs toward his Rally Novice title at 6 months old.



Nine years later, (see pictures above) in Topeka once more, Tyler received BHA RAT1 status and Oscar earned his Rally Novice title with scores of 100, 96, and 85 as well as his Fetch Novice title.

Needless to say, I'm proud of my boys!

BAHAMAS BOUND

The story of INT/U.K.C./PR/SA/BAH GR. CH. 'PR' Mych's Daisy of Pandy

DR. MYLES JOHN NOTARO & CARLOS RODRIGUEZ

Fact: The Toy Fox Terrier is a wonderful breed. They are intelligent, loyal, amiable and quick to go to work. We considered it a cause to make the breed known throughout the world. First, we contacted the Federation Canofila de Puerto Rico to recognize the Toy Fox Terrier which, through the intervention of Roberto Velez-Pico and Rafael de Santiago, became a reality when our CH. 'PR' Mych's Daisy of Pandy was shown in Puerto Rico and became the first Toy Fox Terrier Puerto Rican Champion of record with a rating of excellent by Judges from France, Puerto Rico, the United States and Peru.

Judge Glenda Dawkins, co-owner/handler Carlos Rodriguez and Bahamas Kennel Club president Mrs. June Hall presenting Group Placement to now Bahamian CH. 'PR' Mych's Daisy of Pandy.

In March of 1991 , we petitioned Mrs. June Hall, president of the Bahamas Kennel Club, for recognition of the Toy Fox Terrier by their registry. After the board of directors studied the Toy Fox Terrier history and breed standard, our petition was granted with warmth and enthusiasm. On March 21 and March 22, 1992, CH. 'PR' Mych's Daisy of Pandy and CH. 'PR' Mych's Beanie La Bamba became the first Toy Fox Terrier Champions of record in the Bahamas at the BKC Quincentennial Dog Shows and Obedience Trials.

The trip on March 20, which began at 4:00 a.m., was tedious as it took nearly fourteen hours to get to Nassau due to multiple stops and aircraft changes. Rich Klatt, his Yorkshire Terriers and we (with our six U.K.C. registered dogs) were on a mission: to bring the Toy Fox Terrier and other United Kennel Club registered breeds to the Bahamas. The warmth and hospitality of the Bahamas Kennel Club members, particularly, president June Hall, Rita Hall and Susan Gamble, lightened the burdens of travel and welcomed us and our dogs as family. We were in a foreign country, but there was a bonding which only dog-lovers could truly understand. There was even an inquiry from the secretary for the Office of Tourism about the possibility of adopting a Toy Fox Terrier.

The evening before the shows, there was a pool-side cocktail party hosted by the Bahamas Kennel Club and the Ministry of Tourism. Then after a full day of showing, all attended a superb banquet, organized by Susan Gamble, at Coral World. Of course, between shows, we all enjoyed shopping at the specialty shops in Nassau and dining at some of the finest restaurants in the Caribbean.

The shows were well-organized and smoothly run, an indication to us that the members and officers of the Bahamas Kennel Club worked hard and diligently to make not only their shows a success but also to make all foreign exhibitors feel at ease and at home.

A view of the Crystal Palace Hotel at which we and most exhibitors stayed during the Bahamas Kennel Club shows.

The comments on the Toy Fox Terrier breed were positive: Judge Glenda Dawkins (also a licensed AKC judge) stated: "This is a beautiful breed" — a statement which was backed up when Mrs. Dawkins later awarded Daisy a Group Three placement in the Toy Group in which there had been some magnificent competition. On the following day, Judge Peter Dawkins awarded Daisy a Group Four placement in the Toy Group, again an indication of the excellence of the Toy Fox Terrier brought before him as a representative of the breed.

And so, the Toy Fox Terrier has been brought to yet another place to be appreciated and respected. Will we ever return to the Bahamas? Well, we have resolved that the shows afford a wonderful opportunity to vacation. And besides, Daisy has recently been bred to our UKC/BAH CH. 'PR' Mych's Beanie La Bamba; these progeny should, we feel, be given the opportunity to follow in the footsteps of their Bahamian Champion parents. And who knows one of them might eventually find its permanent home there and be the foundation of the Toy Fox Terrier breed in the Bahamas and, therefore, in the Caribbean. □

Toy Fox Terriers

THE START OF IT ALL

"Sugar and spice." Those words from the nursery rhyme definitely describe the Toy Fox Terrier. The first line of the Toy Fox breed standard sums it up: "The Toy Fox Terrier is truly a toy and a terrier and both have influenced his personality and character." The second line says how being both encompass their personality: "... as a toy he is diminutive, and devoted with an endless abiding love for his master," and "as a terrier, the Toy Fox Terrier possesses keen intelligence, courage, and animation."

Toy Fox Terriers were bred down from Smooth Fox Terriers in the late 1800s and early 1900s. Folklore has it that as the Fox Terrier became more popular for hunting, the smallest ones were sought out for life on the farm, being excellent ratters and mousers and great family companions. These smallest ones, often the "runts" of the litters, were then bred with the intention to bring down size even further. The typical Smooth Fox Terrier is a dog which in those years weighed 18 to 20 pounds. The current Toy Fox Terrier averages between 5 and 9 pounds, and the early variations of the breed standard prior to AKC acceptance limited dogs to 7 pounds.

This is the part of the history of the breed that everyone agrees on. From there, the accounts of historians and breed enthusiasts diverge, with some believing that today's Toy Foxes are only bred down from their larger cousins with no crosses to other breeds. Others believe that some early developers of the breed used Chihuahuas and Toy Manchester Terriers. There is even a book where the author asserts Cavalier King Charles Spaniels and Italian Greyhounds were thrown into the mix. Breed historians discount those assertions, and we can be fairly certain those two breeds did not contribute to the development of the Toy Fox Terrier.

The most widely agreed-upon history of the Toy Fox Terrier is that the "runts" of the breed were desirable and were used to bring down the size. There were some early breeders who used Chihuahuas as well, and today that resulting "apple head" is considered a serious fault. In order to correct the resulting head shape and protruding, overly large eyes that would be damaged going down a hole in the ground after prey, those early breeders then crossed in the Toy Manchester Terrier.

While some breed historians assert these two breeds were not utilized, there is sufficient evidence such that the fledgling Toy Fox Terrier breed club in the mid-1950s issued warn-

ings to breeders to halt the practice of crossing these other breeds into the Toy Fox Terrier bloodlines. Additionally, as proof that other breeds were incorporated into the development, the current Toy Fox Terrier no longer has the "terrier front," coat, ears, or headpiece of the Smooth Fox Terrier. If it was simply bred down in size, it would be a duplicate of it in a smaller version, and it is not; the Toy Fox Terrier is a distinctively different breed.

In addition to being sought out as rodent hunters and family dogs, Toy Fox Terriers were popular in the early 1900s as circus and vaudeville performers. Valued for their intelligence, agility, and fearless nature, these "trick dogs" entertained crowds by performing acrobatics, walking tightropes, and riding ponies in regional "dog and pony" shows across the U.S. That agility and trainability now make them exceptional dogs for AKC sports.

Today, the Toy Fox Terrier excels as a loyal, intelligent, and versatile toy-sized companion who enjoys laps and adventures and is ready to participate in all activities with his family.
