FUTURITY

The ATFTC National Specialty Show Futurity shall be held before the American Toy Fox Terrier National Specialty Show and Sweepstakes. Should the ATFTC Specialty not be held within the time limits applying to the Futurity Rules, the Board of Directors shall decide the disposition of the monies accrued toward the Futurity Stake. **The Futurity Stake is open only to breeders who are active members, in good standing, of the American Toy Fox Terrier Club. The Futurity Stake entries are only eligible by nomination of the litter.** The get from this litter are eligible to compete in the first annual Futurity Stake held on or after the date they reach six months of age, and only in this stake. The bitch whose litter is nominated must be owned (or leased) in whole or part by a ATFTC member. Thus, if a bitch is co-owned or leased by two people, at least one must be a ATFTC member. This requirement does not apply to the owners of the puppies from the nominated litter.

NOMINATION DEADLINES

The nomination of the bitch's litter must be made after she is bred, but before the whelping date. Nominations are non-transferable, and may not be assigned to another bitch in the event of a non -litter. The nomination of each individual puppy must be made after it is whelped, but before it is four months old.

PROCEDURE FOR NOMINATING LITTERS

Any active ATFTC member in good standing may nominate a litter for the Futurity. The nomination must be made on an official Futurity entry form which can be obtained by writing to the Futurity Chairman. Said litter nomination must be made prior to the whelping of the litter. The determination date for timely nominations shall be the postmark on the envelope, which must be dated no later than midnight the day prior to the whelping of the litter. The breeder shall be supplied with a confirmation of nomination of the litter. A form shall be provided to the breeder for the purpose of notifying the Futurity Chairman of the whelping date, number and sex division in the litter nominated. This form must be returned within one month of the whelping date.

The nomination of a litter qualifies any of the litter for entry in the Futurity Stake, regardless of the ownership of the individual puppy when entered or shown. All nominations must be made before the puppy to be shown in the Futurity reaches four months of age, on an official Puppy Nomination form which can be obtained by writing the Futurity Chairman. If the breeder wishes to nominate all puppies in the litter individually, this may be done at any time after the date the litter is whelped but before it is four months old. In such cases, fees for all puppies in the litter must be paid and nomination forms sent to the Futurity Chairman. If neither the AKC litter number, nor the individual registration number, has been received by the breeder at the time each puppy nomination is made, this information must be forwarded to the Futurity Chairman immediately upon receipt. If ownership changes after individual puppy nomination is made, the Futurity Chairman must be provided with correct information regarding (a) name of puppy; (b) registration number; (c) color; (d) sex, and (e) new owners name and address. If this information has not been received by the Futurity Chairman at least one month prior to the date of the Futurity, the dog in question shall be disqualified. The same rule shall apply to the change of the dog's name if such occurs at the time of registration.

ELIGIBILITY

The Toy Fox Terrier must be entered in one of the regular classes at the ATFTC Specialty Show if the Futurity is held in conjunction with the Specialty Show. If the Futurity is held in conjunction with an All Breed show, the dog must be entered in one of the regular classes at the show. When completing the entry form, the fact that the dog is to be shown in the Futurity must be indicated on the entry form. The entry fee for the Futurity class is an additional fee. This fee should be included with the regular entry fee for the class at the show. No Toy Fox Terrier will be eligible to compete in the Futurity which does not meet the following requirements: 1. Be from a litter which was nominated in a proper and timely fashion. 2. Have been individually nominated before it reached the age of four months, and; 3. Be properly entered in one of the regular classes at the show. 4. "Futurity Stakes" is to be written in as an extra class on entry form.

NON-MEMBERS Persons who are not a member of the American Toy Fox Terrier Club who wish to nominate litters for the Futurity may submit an application for membership with the nomination form for the litters nomination. In the event that the application for membership is accepted by the ATFTC, the nomination will be dated as valid according to the date received. If the application for membership in the ATFTC is not accepted, the nomination of the litter will be null and void, the nomination fee and membership dues will not be refunded. The Board of Directors of the ATFTC shall decide any dispute that should arise pursuant to this Futurity Stake at its earliest convenience.

LAPSING OF DUES Any member who, having nominated a litter fails to remain an active member in good standing with the ATFTC by lapsing of dues, or indebtedness to the club, or by suspension or expulsion, and has not been reinstated 30 days prior to the Futurity, shall lose all rights in the Futurity. Dogs nominated by the lapsed or suspended individual but transferred to the ownership of another

individual prior to lapse of dues, suspension or expulsion, or indebtedness may be shown as eligible. Monetary awards will be made in such instances only to the owner of the individual dog pursuant to Futurity prize rules.

CLASSES

The following classes will be provided for both dogs and bitches.

Winners of each of these classes will compete for Best Futurity and Best of Opposite Sex to Best in Futurity.
