## PLEASE NOTE

As the “new” ATFTC website is currently “Under Construction” the current website is not available for updates. The Board of Directors meeting minutes for November & December will not be available for review until the first of the year (if not sooner) when the new website is up and running. An e-mail will be sent out to all members when this has been accomplished.

## VOLUNTEERS

The ATFTC Board of Directors is encouraging all members to review the Standing Committee list on page 4. Do you have a special interest in any of these committees?

We really need a volunteer to manage the “On-Line Store & Merchandise” I am sure there is a member out there who has experience in this area. We are hopeful to have it up and running ASAP.

~ Please contact me if you would like to volunteer ~

**President's Message**

**I want to thank all of you for your participation in our 2013 election process. As has been announced, the following individuals have been seated as the 2013 BOD/Officers:**

**President: Cindy Enroughty**

**Vice President: BJ Andrews**

**Treasurer: Kathy Gilliam**

**Secretary: Vickie Kerley**

**BOD Member: Kasey Mando**

**BOD Member: Lynn McKee**

**BOD Member: Lila Fast**

**BOD Member: Violet Denney**

**BOD Member: Rick Lilly**

**We are all in the process of getting our ducks in a row for this upcoming year and appreciate your patience during this time.**

**Our 2012 Nationals in Las Vegas were a success in spite of some of the hardships we faced. Be advised that the venue has been changed for 2013 to a larger facility with better access to the show area. As well, Carolyn Lichty was voted in at the annual meeting in Las Vegas as the show chair for 2013. I am sure that with her years of experience (and Richard's help) we will have a National to be proud of.**

**We are also working on setting up our committees this year – and have asked for anyone interested to volunteer. We are working to be all inclusive and firmly believe that we can prosper from fresh ideas.**

**We are all looking forward to a fabulous 2013 for the ATFTC and I want to personally wish each and everyone of you a happy and healthy Holiday Season!**

**CINDY ENROUGHTY**

## VICE PRESIDENT'S REPORT

### December, 2012

First, I want to thank everyone who voted for me, and assure those who didn't, that **Sheryl Irwin** will be working on upcoming projects. She is a tremendous asset to the club and true to her dedication to the breed, has pledged her support this year.

The new Board Of Directors, chaired by **President Cindy Enroughty** is very active. Emails flying, phones buzzing, all in an effort to sort out records and firm up procedure and plans for the coming year. We are keeping **Secretary Vickie Kerley** really busy setting the agenda for and all the while, she continues e-News and Fox Tales which have been a true service for the membership.

**Kasey Mando's Membership committee** has a new **BOD member Violet Denney** who is a long time breeder and UKC judge. Violet will be reaching out to you and to encourage UKC breeders and all new owners who have not yet joined the club to go to the website and get your application. Tell your friends to contact Violet and become ATFTC members!

Having said that, it may be after New Year's before you can get the application because, we have a **new webmaster, Barb Kelly!** One of the first things she is doing is repairs and updating. Barb says "At this point I have secured a new host for our website that will allow us to proceed with the on-line store and present a more robust website and "hopefully" be easier to maintain. Once I have everything copied, I will transfer our domain to the new server and begin uploading our information. I recognize the inconvenience of our site being down for a period and am making every effort to keep that time at a minimum. I plan to take vacation to focus on this project as there is a bit of a learning curve and I want as many club members as possible to really like the results."

**Darielle Wiederrich** is on the newly established "**Trophy Committee**" with **Dianne Clark** and will also help **National Show Chair, Carolyn Lichty** with whatever she needs. Darielle, along with just about everyone (!) would like to "see written guidelines established for the handling of the National Show which should include a fill in the blank type form for submission for income and expenses." I believe **Denise Monette** is chair of the **National Show Guidelines/Show Site Committee**, something that is long overdue. Having guidelines for selecting a show site is the first priority and no one knows what is "necessary and nice" for exhibitors (and judges) than Denise, Sue Cassel, Bill McAllister, Melissa Crane, and Kathleen La Rue.

## **TREASURER'S REPORT**

### **DECEMBER, 2012**

I have completed set-up in QuickBooks and all records for the year 2012 have been input and balanced. I am excited for the members to see what has been accomplished. The financial records are included with the Fox Tales. I have also completed a Profit & Loss for the Nationals based on records and reports received which is also included. I have officially started the move from the California bank previously used to US Bank. I applied and received a debit card which will solve problems in Las Vegas for 2013 as the custom is not to accept any checks. I have set up PayPal as a way to receive payments for the ATFTC and I will have a credit card reader for my cell in Las Vegas. All purchases will be paid for before anyone leaves the auction next year and we can accept payments for other bills when our website is up and running. Your Board is moving in the right direction and putting the requests of the membership in place. Looking forward to a great year for the ATFTC.

Kathy Gilliam

### **Performance News**

We have two big announcements to make.

The first is that one of our very own won the 8 " class at the 2012 Eukanuba Agility Competition.

Congratulations to Mach 10 Rosenhills Blink Of An Eye and his owner trainer Johanna Ammentorp. You can see Blinks winning run at AKCs sight, but don't " blink " or you will miss it.

The second big news is that Board of Directors has agreed to allow a group headed by Jacqui O Neill to host the first ATFTC National Agility Trial. Jacqui is a well respected AKC agility judge with years of experience of chairing trials. She also runs TFTs. She is busy working on the details, and we look forward to this, the clubs first performance event.

We welcome anyone who would like to be a member of the performance committee to contact Mona or Rick Lilly at [lillystoyfox.com](http://lillystoyfox.com) or 815 624 0969.

## A message from our new Board Member.....

A big hello to all the members of the ATFTC. I am Violet Denney, one of the new board members. Thanks to all of you who voted for me. I really needed to know you were behind me. I don't know all of you, but hope to before my term is up, if you are willing. One of my main goals in running for office was to try to get everyone involved who wants to be involved. I love the breed or I wouldn't have so many running around my house. I don't have a home anymore. I live in their dog house. I would like this breed to be better known for the little jewels they are and I have room in my life for anyone who owns and is loved by their dogs and returns that love. It is my firm belief that EVERY club member has skills and knowledge that I don't personally have and I want each of you to be willing to share those skills and that knowledge with our parent club.

Not all ideas are workable for a club this size, but that doesn't mean that I, as well as your other officers, don't want to hear them. There are many committees in place to serve the TFT Community and I believe Vickie is going to list them in this newsletter. PLEASE if you feel you can contribute by volunteering to serve on a committee, step forward and do so. It won't be a full time job. For too long this club has been functioning on the efforts of a few, when it should have and could have had a lot of good ideas and input. Don't be part of the "sit back and wish" group. Be part of the group that makes good things happen. You do want to know what you are getting for your dues. I know I do. The best way to find out is to be part of a committee and make good workable suggestions. If you see a problem, don't just state the problem, suggest a workable solution. There are nine pairs of ears on this board that want to hear what you have to say and what you think. My personal email address is: [Foxlair@suddenlink.net](mailto:Foxlair@suddenlink.net). Let me hear what you have to offer. All officer's emails are available. Thank you for reading all of this and, again, speak up and be heard. Don't be a part of the silent majority.

Violet Denney

# A Funny Thing Happened.....

DO YOU HAVE “A FUNNY THING” THAT HAPPENED TO YOU ????

\*A story you would like to share\*

(Dog related of course, especially “Dog Show” stories)

On the way home from a dog show ..... with a car load of dogs, late in the evening. A friend and I stopped to fill up her Toyota Minivan with gas. We knew that this was the last gas station for about 70 miles and the gas gauge was leaning heavily toward empty. While I went inside to buy snacks for the rest of the trip, my friend pumped the gasoline using her credit card for payment. Soon she was inside telling me to hurry along. We got back in the car and had driven about twenty-five miles when I noticed a light had lit up on her panel of indicators. I asked “What’s that light that just came on?” She replied “I don’t know.” As we looked closer, we saw it was the need gas indicator. “Well” she said, “It must be broken. I just filled it up.” I reached down and picked up the credit card slip. It read \$.09 gasoline. The pump must have kicked off as soon as she started it. Her head was already into getting home and she thought it was full.

We rolled down the windows, cut off the air conditioning and slowed down to 40 mph, trying to conserve. We had gone too far to turn back and still had a long way to go. It was white knuckle time. Suddenly, we broke into laughter wondering what her credit card company would think when the charge went through. Fortunately there was a gas station that we hadn’t seen before on the westbound lane within the next 15 miles and we gassed up and were good to go. Ever since that trip 20 years ago, when one of us really does something stupid, we say “Another nine cents worth of gas”.

I think that is the longest twenty minutes I have ever spent.

# Getting to Know You . . . .

## FOXTALES

*Dorothy Fisher | Laliqne Toy Fox Terriers*

I am Dorothy Fisher and I have been toying around with Toy Fox Terriers for several years. It started one year when my husband bought me a pet Toy Fox Terrier for a wedding anniversary present thus her name Anny. Somehow in the transaction I found a copy of Bloodlines, the UKC magazine giving show results and ads. At that time I had

never seen a dog stacked or even been to a dog show. I looked at the show pictures in Bloodlines and thought, "I can do that." It looked like fun. So I flew to Atlanta from DC to see a dog show first hand. I didn't even take a dog. I was instantly hooked when I saw all those Toy Fox Terriers in the ring. Soon afterwards I started showing Anny, PR Jacobs' Little Anny Fisher, bred by Dorothy Jacobs, Lakeland, FL. Anny never finished her championship but she was a wonderful little companion. Dot told me if I wanted to show she would give me a real show dog. She certainly did and this new family member was my beloved Fidget.

**Dot & Fidget**

I showed Fidget flying east to west, north to south, for 26 weekends in one year while still working. She still holds the record for Toy Fox Terriers in UKC Top Ten competition.

Then in 2003 the Toy Fox Terrier breed was accepted by AKC. I learned to show ala AKC style, quite different than the days of UKC for me. Fidget did very well and soon was an AKC champion too. However, I needed to slow down and concentrate more on earthly things, so I entrusted my beloved Fidget to be shown by a wonderful handler I had met at a handling class, Damara Bolte. She took Fidget and me to new heights, things like group placements and most notably Fidget was the first Toy Fox Terrier to take Best of Breed at Eukanuba in Long Beach, CA in 2003.

Fidget was my Foundation Stock bitch. From that I've had some, I presume you could say, very good luck and a barrel or two of fun along the way. I've had some outstanding mentors, Dot Jacobs and Damara Bolte are tops. Dot no longer breeds unfortunately but her lines have had an important impact on the breed. There are many top winning Toy Fox Terriers with Jacobs' bred dogs in their pedigrees.

I've spent my life doing pretty ordinary things—marriage (*our 50<sup>th</sup> wedding anniversary fell during the specialty week this year*)—extensive foreign travel and living in foreign countries—three children, two of whom are adopted—long career—and now ahhh, retirement. After working decades as a civilian in the Department of Defense in the DC area BTW I was working at the Pentagon on September 11, 2001—I am now thoroughly enjoying my Toy Fox Terriers, their antics and all the dog shows I can pack in. I hope to breed an occasional litter and continue in pursuit of the enjoyment of my Toy Fox Terriers.
