GCh. Maldonfox Might As Well Be On Mars

Best of Breed at 2019 National Specialty

Lexington, Kentucky

Story on next page

ON THE COVER

GCh Maldonfox Might As Well Be On Mars

The decision to go to Kentucky came to me at the last minute. We had a family vacation to Ireland planned in August and I don't like schedule trips too close together. What the heck, jet-lagged with a cold, I loaded up Isabella and drove to Lexington. Having every intention of coming home in the ribbons, I never dreamed we'd be Best of Breed.

The Kentucky Horse Park is a very nice venue. The campground is a little pricy on a holiday weekend but well worth staying at. The grounds are beautiful and there's plenty to see and do if you have the time. The decorations and trophies never disappoint. The ATFTC banquet on Saturday was a blast. I also won the 50/50 raffle!

I want to thank the club members that came out from their meeting to cheer Mars on in the Toy Group. Special thanks to Katherine LaRue for getting me and Mars to the group rings and providing me with an energy bar. I also want to thank Jamie Anderson Wardlow for taking video and pictures of us in the group ring. But most of all, I want to thank Sally Sklar for returning this girl to me when she decided she didn't want her. Mars fits in perfectly with my crew, we just love her. Alex and I will always be grateful.

Message from the President

Hello Members,

I hope all of you are doing well and enjoying your wonderful Toy Foxes. Wow! What a National Specialty we had this year! For those of you that were not able to make it this year, we missed you and you missed a great show. A lot of hard work was put in to making this show a big success and many thanks go out to those that volunteered their long hours and efforts. We had a huge entry of 55 in the National Specialty and 14 in the Sweepstakes. Ms Violet Waters Denny did a great job judging the National Sweepstakes and Mr Joe Gregory did a great job judging the National Specialty. Win or lose, I believe everyone had a wonderful time.

The Annual Membership Meeting went very well with several ideas and input coming from the members. But the most exciting part of the meeting was that we took a small break to go cheer for our National Specialty Best of Breed winner Kelley Maldon in the Toy Group competition; of which she took a Group 2. (Might I mention, beating the number one Toy dog in the Country). We stood proud and cheered as a united club in support of our fellow fancier and member. I was very proud to be the ATFTC President at that very moment for certain.

The Breed Study presentation and the Awards Banquet were other successes and all involved enjoyed themselves. We were fortunate to have many judges being mentored at our National Specialty and commenting on the quality of dogs being presented and the support we gave each other. The Trophies/Awards were outstanding and people from other breeds commented how nice they were as they passed by the table. We had Supported Entries all the other days of the Cluster with lots of entries as well.

We are so excited about the 2020 National Specialty which is to be held in Oklahoma City, Ok the month of June. So mark your calendars and make plans to be there. Let's make 2020 bigger and better. Also, we will be looking for dedicated volunteers to help make the 2020 National Specialty another successful show. EVERYONE is invited and welcome! So bring a friend or two; the more the merrier!

And make sure to make plans to join us in Orlando, FL for the ATFTC Regional Specialty and 2 CFTFTC Specialties held in conjunction with the Royal Canin/AKC National Championship Show in December 2019. It is a huge Cluster with everything you have imagine to do with dogs. I hope to see you all soon. May God Bless you all and Be safe!

Respectfully,
Billy Hodges
ATFTC President

Letter from the Editor

Wow! Thank you club and all the members who contributed with ads, articles or fillers to make this, I believe, our best newsletter ever! Not as good as we can be, but with continued commitment, who knows how great it can become! Thank you to Gene Bellamy, Wendy Howard, and Sheryl Irwin for your non-specialty ads, to Kelley Maldon, Sarah Kittner, Mandy Halsey, and Susan Thibodeaux for your specialty ads, and to Cindy Enroughty for sending in a completed questionnaire! Thanks also Carolyn Lichty, who sent an interesting filler and to Marcia Higgins who contributed an article on agility—due to the large volume generated by the National Specialty, I just did not have room for everything. I promise both of these contributions will be in the December (Winter) edition!

How are we going to keep this going? I would recommend saving our newsletter in a special folder for easy access or even printing it out. I have referred to my printed newsletter several times to look something up. Facebook is fun and instantly gratifying, but in a week or two, can be quite time consuming, trying to look up a fact or picture you thought you saw. Keeping the newsletter handy will hopefully inspire you to advertise here! If you like the small New Title or Litter Announcement ads, do let me know so I will continue including them; if you do use them, please try to stick to the format, it makes my work a lot easier.....and if you want to say more, there is always the option of a half or full page to say everything you want!

One more big thank you go to Rick and Carolyn Lichty and to Barb Kelley who put up with my regular harassment nearly every month, for all the reports you see in the newsletter—you all help make this a little easier for me.....Thank you!

So, to you all, if you have a dog that makes you proud, or a great looking litter, think about the **ATFTC NEWSLETTER!**

WELCOME NEW MEMBERS!

This past August, Tyler made a small bit of history by becoming the first TFT to earn the title of Trick Dog Elite! Who would have thought volunteering at Meet the Breeds would have brought us here! Tyler also has 2 majors toward his breed championship, and at the ATFTC supported Rally classes in KY, earned his first leg toward a Rally Master title.

StarFox

Toy Fox Terriers

StarFox Toy Fox Terriers is pleased to present our litter for 2019! We are now accepting applications and deposits for these happy healthy puppies from health tested parents that will soon be ready for their forever homes. Shipping is only available 'in cabin' with a human companion. All of these beautiful well bred puppies can't be show dogs but they can all be wonderful loving family companions!

The Toy Fox Terrier Breed

Questionnaire

NAME: Cindy Enroughty

CITY, STATE: Aztec, NM

IF APPLICABLE, KENNEL NAME: Doubletake

HOW MANY YEARS HAVE YOU BEEN INVOLVED IN THE DOG SPORT(S): My partner in dogs, Reena Fair, dragged me to my very first dog show in 2000 where she was showing Great Pyrenees. I repaid that addiction with putting her on as co-owner/breeder of every one of my Toy Fox Terriers. I'm still not sure who came out ahead.

WHEN WERE YOU FIRST DRAWN TO TOY FOX TERRIERS, AND WHAT SPARKED THAT ATTRACTION: My mother brought home our very first Toy Fox Terrier in 1967. She wanted a small house dog to kick up a fuss if there was anything untoward going on around our house while my father was working nights. I haven't been without at least one in my life since then.

HOW MANY LITTERS A YEAR DO YOU HAVE AND WHAT WAS YOUR MOST SUCCESSFUL LITTER: I rarely have more than one or two litters a year. While we have finished many BBE Champions from many different litters, I honestly find that I am most happy with my success is with placing healthy, happy pets with loving families.

IN WHAT VENUE(S) DO YOU COMPETE: At this point I am only involved in Conformation. I don't personally have the patience for Obedience or the physical ability for Agility. My dogs do, me not so much!

GREATEST THRILLS IN THE DOG GAME: Hmmm, taking WB at a Regional Specialty, taking AOM at a National Specialty, Group Placements and a BISS at the NM Toy Specialty years ago with Dianne Clark's boy, Alex. We had just picked him up the day before and he and Reena really hit it off in the ring. It was so unexpected – and in front of a home town crowd – that we nearly freaked the poor boy out with our enthusiastic response to the win.

WHAT FEATURE(S) OF THE TOY FOX TERRIER DO YOU FEEL NEEDS THE MOST IMPROVEMENT: I would like to see better fronts with better length of upper leg and layback. The rears seem to be improving, though.

ANY OTHER INTERESTS ASIDE FROM TFTS YOU MAY HAVE: I support Four Corners All Breed Rescue – a 501c3 organization run by Reena Fair. I also support the Toy Fox Terrier Rescue, Inc. Just ask them how much I usually spend on their auctions!

OTHER ANIMALS/LIVESTOCK: My husband and I had llamas for 20+ years. We lost our last one this spring – it was the end of an era.

HOBBIES: I'm an avid reader. It is the one thing that I find totally relaxes me.

TALENTS: Organizing our efforts for the dog shows! Through the years Reena has shown many different breeds which really kept me on my toes!

YOUR BUSINESS OR JOB: Since moving to NM 23 years ago, I have worked in various capacities supporting the Oil & Gas industry in the San Juan Basin.

GCH TOFFOX DYNASTY JACK OF SPADES

Sire: BISS GCH DynAsty Valcopy What Happens in Vegas
Dam: CH DynAsty's Dreamer

Our old man, Jack, had a pretty nice day at the 2019 ATFTC National Specialty competing from the competitive veterans class. He was Best Veteran and was given an Award of Merit while competing for Best of Breed. Thanks to the ATFTC for putting on a nice show and to judge Joe Gregory for awarding us this nice win. Because of the distance to the Specialties in recent years, we were not able to attend. It is fitting that the last National Specialty we attended was when Jack's father, Vegas, won Best of Breed at the 2009 ATFTC National Specialty.

Thanks for all the nice comments we received on our nice old man, Jack! He loved being the center of attention!

MALDONFOX WELCOME TO MY NIGHTMARE

Alice is shown scoring a 5 point major at the ATFTC-supported Lexington K.C. show under Ms. Evalyn Gregory, the day after the National. Prior to this day, Alice had won 3 other majors (including RWB at the specialty), leaving her needing only 1 point. Two weeks later, she finished in style with another major, Best of Breed and an OHG4.
